

Range Power 50+

12V Headlights

12V

48861

Description

Offering 50% more light than a standard lamp, our Range Power 50+ delivers a light beam that is 20 meters longer for even greater visibility. It's engineered for drivers to see farther and more clearly for greater safety while boasting a 2x lifetime.

Application

Standardization

Type	ECE R37	Value (V)	Value (W)	Cap
48861	H4 RP50+	12V	60/55W	P43t
